Here are some of the comments received from patients:

- Kind staff, prompt response to Accurx queries, seen same day if necessary, an all round really good GP practice.
- Great staff, always try to help even when they are very busy.
- They always give you the option to ring or call into reception in person. I believe some GP surgeries only do online appoints/assessments. They are very good at trying to fit you in that day, if they feel your condition warrants it.
- Good service and friendly doctors and staff
- I moved to your surgery 2 years ago and I've always been treated brilliantly
